- CMC Mercy: Vail Parking deck to start construction mid summer.
- East Lincoln Ambulatory Surgery Center: Upfit in Denver, NC.

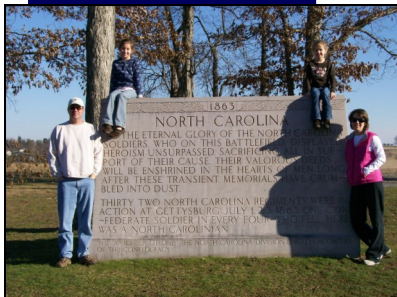

Office Expansion Completed over the Winter

Over the previous winter Hostetter and Keach, Inc. added a new wing to its office in Pineville. At roughly 1000 sq. ft. the space provides new office, administrative, and storage space as well as an additional restroom. Employees Mark

Walle, Keith Webster, and Jon Keach relocated to new offices in the addition.

Employee Profile: Mark Walle

Mark with his family in front of the NC monument at Gettysburg.

Mark Walle joined Hostetter and Keach in 2005 as a project manager. He came to HKI from FN Thompson. While at Thompson he worked on projects at SouthPark Mall and the new Mecklenburg County Courthouse parking deck.

At Hostetter and Keach, Mark says that his duties range wide from sales to

budgeting, to document administration.

Mark grew up in the small town of Mt. Gilead, North Carolina. He spent his high school years in Gettysburg, PA, where his parents still live. Mark graduated from N.C. State University with a Bachelors degree in Civil Engineering. Mark also spent four years in the Air Force Sta-

tioned in North Carolina.

In his free time Mark enjoys working on his house, mowing his lawn, and tending to his garden. Mark is also an avid snow skier and enjoys to travel.

Employee Contributions

Project Mangers and Superintendents, be sure to let us know if you have good photo opportunities on-site. We are always looking for photos to include in the Newsletter or in marketing materials. You can email photos and any personal news you feel like sharing to frank@hkigc.com.

Get Outdoors

Spring time provides the perfect opportunity to get out and enjoy your surroundings. Not only is getting outside fun but its good for you. The American Heart Association says that

walking just 15-30 minutes a day can add years to your life. Here are some suggestions for getting outdoors this spring.

- Crowders Mountain State Park

- US National Whitewater Center
- Daniel Stowe Botanical Garden
- Brushy Mountain Motor Sports Park
